

The background is a vibrant watercolor illustration of a tropical scene. It features various types of green foliage, including palm fronds and monstera leaves. Interspersed among the leaves are several hibiscus flowers in shades of yellow, pink, and white. In the center, there is a semi-transparent white rectangular box containing the text. Surrounding the box are several tropical cocktails: a drink in a coconut shell with a yellow and red hibiscus flower and a small umbrella, a tall glass of reddish-orange juice with a slice of orange and a hibiscus flower, and a blue cocktail in a martini glass with a hibiscus flower. The overall style is bright, colorful, and artistic.

BOILERMAKERS

A 'BOILERMAKER' is traditionally a pairing of beer and whiskey to create a drinking experience more than the sum of its parts. We've taken the concept a little further to include a rum and a tequila option and all Longroom BOILERMAKERS are served with a bite size food pairing.
